

## 2<sup>nd</sup> International Conference and Exhibition on Visible Light Communications 2018

March 16, 2018, Yokohama, Japan

**Call for Papers (Deadline: October 15, 2017)**

“2<sup>nd</sup> International Conference and Exhibition on Visible Light Communications 2018”, presented by Visible Light Communications Association (VLCA) in Japan, offers a unique opportunity for researchers and developers from academia and industry to share ideas about visible light communications (VLC).

### **Conference: “International Conference and Exhibition on Visible Light Communications 2018”**

Organized by: Visible Light Communications Association, Japan

#### ✧ Steering Committee:

- General Chair: Emeritus Professor Masao Nakagawa of Keio University
- Shuji Suzuki, Keio University, Secretariat of VLCA
- Professor Takaya Yamazato of Nagoya University,
- Professor Koji Kamakura, Chiba Institute of Technology
- Assistant Professor Yusuke Kozawa, Ibaraki University

#### ✧ Advisory Board:

- (Chair) Professor Shinichiro Haruyama of Keio University
- [Professor Harald Haas](#) of The University of Edinburgh, U.K.
- Professor Zhengyuan Xu of University of Science and Technology, China
- Prof. Emeritus Mitsuji Matsumoto, Waseda University, Japan

#### ✧ Technical Program Committee:

- (TPC Chair) Professor Takaya Yamazato of Nagoya University, and Academic member of VLCA
- (TPC Vice Chair) Professor Koji Kamakura, Chiba Institute of Technology
- Professor Wataru Chujo, Meijo University
- Associate Professor Tomohiko Yendo, Nagaoka University of Technology
- Lecturer Shintaro Arai, Okayama University of Science
- Assistant Professor Yusuke Kozawa, Ibaraki University

### **Topics of interest includes, but are not limited to:**

- VLC transceiver design and optimization
- VLC link duplexing and multiple access techniques
- Modulation, coding and detection for VLC
- VLC using image sensor (Image sensor communication)
- Underwater VLC
- Location services using VLC
- VLC wireless sensor networks
- Optical wireless communications in 5G networks
- Vehicle-to-vehicle and vehicle-to-infrastructure VLC
- VLC for Internet of things (IoT)
- VLC for home/office/factory networks

### **Important dates:**

- Paper deadline: October 15, 2017
- Author acceptance notification: November 15, 2017
- Camera-ready paper submission deadline: December 15, 2017
